

CABBABE PLASTIC SURGERY

Cosmetic Prepayment/Scheduling/Rescheduling & Cancellation Policies

Prepayment

Prepayment for your surgery is due 30 days in advance of your surgery date. If prepayment is not made, your surgery will be cancelled.

Surgery Scheduling

There is a non-refundable surgery scheduling fee of \$1,000 due at the time you schedule. This amount will be applied towards your total cost which is due 30 days prior to your surgery.

Cancellations

In the event you need to cancel your surgery, there is a cancellation fee that will apply. If the surgery is cancelled with less than 30 days notice, there is a fee of 10% (physician surgery fee). If the surgery is cancelled with less than 7 days notice, the fee is 50% (physician surgery fee). If there is a medical reason for cancellation, those fees may be waived at our discretion when documentation with the reason is provided from a medical professional. If a surgery has been cancelled and the patient decides to schedule the surgery at a later time, a new consultation and quote will be required.

Rescheduling

If at any time, it becomes necessary to reschedule your surgery, a fee of \$500.00 will be incurred. The re-scheduling fee will be collected at the time of re-scheduling. Requests to reschedule surgeries with less than 30 days notice will be subject to the reschedule fee and all applicable cancellation fees will apply.

Other information

Surgeries that are scheduled 12 months or beyond the date of the cosmetic quote/office visit, or where weight changes have occurred (10 lbs. or more), will be subject to an updated quote. Hospital and Anesthesia fees are estimated quotes. These services are payable to a third party; therefore, should their rates increase, we will provide that to you in a new quote.

Virtual Patients & Existing Patients

ALL QUOTES provided through a virtual consultation are considered estimates and are not finalized until your in-person examination is complete. *We encourage you to schedule that well in advance of surgery so there are no last-minute changes.* If your in-person exam is not scheduled prior to your pre-op appointment, your quote will be updated and you will be provided with a new quote at that time.

Thank you for your understanding.
